BATHROOM HUB

The Bathroom Shop Mentone is a state-of-the-art store located in Mentone's home renovation hub. There you'll find all of your designer bathroom and kitchenware at wholesale prices. The professional team is at your service to assist your do-it-yourself home renovations.

So what's on offer? Luxe bathroom products and the company's massive showroom stocks an array of tapware, mixers, shower screens, vanities, baths, mirrors, mirrored cabinets, laundry tubs, tiles and an endless selection of accessories.

All products are sourced from the best suppliers, nationally and internationally. Each product is quality assured, meets Australian Standards and is backed by all relevant guarantees/warranties. With more than seven years' experience in the business of importing, wholesaling and retail, The Bathroom Shop Mentone knows exactly what you need and delivers superior results.

Their dedication to educating consumers and industry professionals on the latest bath and kitchen fixtures and fittings is exceptional. The staff takes pride in providing the latest educational materials that will help you make accurate decisions about your renovation needs.

The Bathroom Shop Mentone's tradition is defined by constant innovation. Its commitment to excellence means it continually enhances its product lines to bring you the newest technologies and features available in the marketplace. Pop in and see the team in person and speak to the friendly design consultants who will help make your renovation process effortless, and ensure you are enjoying your new space soon.
